**Black Demons**-Dennis Rome 2004 Contends that negative stereotypes about African American men are created to a significant degree by U.S. mass media's portrayal of the "black demon."

**White Gods Black Demons**-Mandishona, Daniel 2018-03-07 Irony and humour have always been used to counter frustration, despair and to expose double standards. In these ten sharply polished stories, Mandishona explores the dark
comedy that lies just beneath the surface of tragedy in Zimbabwean society in the last decade. His perceptions leave few untouched: politicians, new farmers, exiles, stranded queues and inflation that renders the currency worthless... Truth and morality are dispensable in a society where wealth is rewarded with respect, integrity marred by untruth, rumour displaces fact, and power is only interested in its own survival. Mandishona holds a mirror up to reality and without equivocation asks us to look at what is real: the likeness or the distortion and what it is we want to see.

The Grim Reaper-Stephen Wesley 2007-08-24
One bite from a forbidden fruit transforms Adam (from the Garden of Eden) into the Grim Reaper. Stripped of his humanity and consciousness, he is eternally burdened with the task of collecting and delivering all the souls from earth to their afterlife. Unbeknownst to the Grim Reaper, there are higher powers in conflict for where the human souls are to forever exist. God had been absent from heaven, creating new worlds and a new species which he created in his image. The angel named Lucifer corrupted with sinister power and feelings of abandonment, challenged God. Lucifer and his small band of rebel angels were exiled from heaven and forced to live in the new realm of hell which has tainted them. Lucifer out of jealousy inflicts God's new creation with sin, his way of not being forgotten. The ruler of hell discovers a way he can rejoin God in heaven. Every human on earth must perish. But Lucifer is not powerful enough to destroy all the life on the planet himself. Through his sinful manipulation Lucifer plots to unleash Armageddon on earth, and take back his rightful place in heaven.

**Demons and the Making of the Monk**-David BRAKKE 2009-06-30 In this finely written study of demonology and Christian spirituality in fourth- and fifth-century Egypt, David Brakke examines how the conception of the monk as a holy and virtuous being was shaped by the combative encounter with demons. Drawing on biographies of exceptional monks, collections of monastic sayings and stories, letters from ascetic teachers to their disciples, sermons, and community rules, Brakke crafts a compelling picture of the embattled religious celibate.
What It Means to Be Human-Joanna Bourke 2011-12-01 In 1872, a woman known only as "An Earnest Englishwoman" published a letter titled "Are Women Animals?" in which she protested against the fact that women were not treated as fully human. In fact, their status was worse than that of animals: regulations prohibiting cruelty against dogs, horses, and cattle were significantly more punitive than laws against cruelty to women. The Earnest Englishwoman's heartfelt cry was for women to "become–animal" in order to gain the status that they were denied on the grounds that they were not part of "mankind." In this fascinating account, Joanna Bourke addresses the profound question of what it means to be "human" rather than "animal." How are people excluded from political personhood? How does one become entitled to rights? The distinction between the two concepts is a blurred line, permanently under construction. If the Earnest Englishwoman had been capable of looking 100 years into the future, she might have wondered about the human status of chimeras, or the ethics of stem cell research. Political disclosures and scientific advances have been re-locating the human–animal border at an alarming speed. In this meticulously researched, illuminating book, Bourke explores the legacy of more than two centuries, and looks forward into what the future might hold for humans, women, and animals.

The Harrow: From Under a Tree-Philip Mazza
Visiting their Aunt and Uncle for the summer, Molly and Elizabeth venture under a sycamore tree and find themselves in a fantastical world known as the Harrow. The girls know little of the troubles that will soon plague this new world but are guided by their Uncle’s pet cat to a meeting of wizards. Here, they meet many other friends of their Uncle and learn that a long dead evil has been reawakened and is plotting to destroy the world. The sole weapon against this darkness rests on a necklace given to Molly by her Uncle, the Lia Fail stone, which could only be used by the Queen of Ahlgren. The stone’s magical powers begin to empower Molly as Queen, upon whom all hope rests. Soon storms from the east bring the Uakor Turg, dreaded minions of evil, while ghost demons and dark wizards wage war across the lands and capture the sacred tree of peace, the Aina Dur. To save the Harrow, Molly and her sister must begin an adventure with others to face the darkest of evil. Please post your comments on Google Play and Amazon.

The Lure of the Wolf - Jennifer St. Giles
2007-07-31 Mighty warriors sworn to protect humanity, the shape-shifters known as The Shadowmen move between two worlds. Now their dark leader has exiled himself from the spirit world, opening the door to the forces of chaos...and to the power of love. Half wolf, half man, Aragon has abandoned his brethren to repay a debt of honor; he is sworn to kill a rogue Blood Hunter, though exacting revenge will doom him to a ghostly existence trapped between two worlds. But when a mortal woman unexpectedly calls him to her side, the heat of her soft flesh arouses a hunger in him that threatens to complicate his mission. Dr. Annette Batista, a dedicated healer, is determined to find her missing sister. With the amulet found at the site of her sister's disappearance, she unwittingly summons a shadowy warrior. She wonders if she can trust this powerful male named Aragon, who claims he can vanquish her sister's captor -- the very monster he's vowed to destroy. Or is Annette blinded by her shocking passion for the most alluring, mysterious man she's ever seen?

After hundreds of years, Su Ming's soul awakened and was reincarnated in a useless person's body. Just what kind of waves would it cause?
The Image of the Black in Western Art - David Bindman 2010-11 "A pioneering work in the field of art history, The Image of the Black in Western Art is a comprehensive series of ten books which offers a lavishly illustrated history of the representations of people of African descent from antiquity to the present. Each book includes a series of essays by some of the most distinguished names in art history. Ranging from images of Pharaohs created by unknown hands almost 3,500 years ago to the works of the great masters of European and American art such as Bosch, Dürer, Mantegna, Rembrandt, Rubens, Watteau, Hogarth, Copley, and Goya to stunning new media creations by contemporary black artists, these books are generously illustrated with beautiful, moving, and often little-known images of black people. Black figures-queens and slaves, saints and soldiers, priests and prisoners, dancers and athletes, children and gods-are central to the visual imagination of Western civilization. Written in accessible language, the extensive and insightful commentaries on the illustrations by distinguished art historians make this series invaluable for the general reader and the specialist alike." -- Résumé de l'éditeur.

**The Dawn of Tibet** John Vincent Bellezza 2014-08-29 This unique book reveals the existence of an advanced civilization where none was known before, presenting an entirely new perspective on the culture and history of Tibet. In his groundbreaking study of an epic period in Tibet few people even knew existed, John Vincent Bellezza details the discovery of an ancient people on the most desolate reaches of the Tibetan plateau, revolutionizing our ideas about who Tibetans really are. While many associate Tibet with Buddhism, it was also once a land of warriors and chariots, whose burials included megalithic arrays and golden masks. This first Tibetan civilization, known as Zhang Zhung, was a cosmopolitan one with links extending across Eurasia, bringing it in line with many of the major cultural innovations of the Late Bronze Age and Iron Age. Based on decades of research, The Dawn of Tibet draws on a rich trove of archaeological, textual, and ethnographic materials collected and analyzed by the author. Bellezza describes the vast network of castles, temples, megaliths, necropolises, and rock art established on the highest and now depopulated part of the Tibetan plateau. He relates literary tales of priests and priestesses, horned deities, and the celestial afterlife to the actual archaeological evidence, providing a fascinating perspective on the origins and development of civilization. The story builds to the present by following the colorful culture of the herders of Upper Tibet, an ancient people whose way of life is endangered by modern development. Tracing Bellezza’s epic journeys across lands where few Westerners have ventured, this book provides a compelling window into the most inaccessible reaches of Tibet and a civilization that flourished long before Buddhism took root.
Black Face, Maligned Race—Anthony Gerard Barthelemy 1999-03-01 Anthony Barthelemy considers the influence of English political, social, and theatrical history on the depiction of black characters on the English stage from 1589 to 1695. He shows that almost without exception blackness was associated with treachery, evil, and ugliness. Barthelemy's central focus is on black characters that appeared in mimetic drama, but he also examines two nonmimetic subgenres: court masques and lord mayors' pageants. The most common black character was the villainous Moor. Known for his unbridled libido and criminal behavior, the Moor was, Barthelemy contends, the progenitor of the stereotypical black in today's world. To account for the historical development of his character, Barthelemy provides an extended etymological study of the word Moor and a discussion of the received tradition that made blackness a signifier of evil and sin. In analyzing the theatrical origins of the Moor, Barthelemy discusses the medieval dramatic tradition in England that portrayed the devil and the damned as black men. Variations of the stereotype, the honest Moor and the Moorish waiting woman, are also examined. In addition to black characters, Barthelemy considers native Americans and white North Africans because they were also called Moors. Analyzing how nonblack, non-Christians were characterized provides an opportunity to understand how important blackness was in the depiction of Africans. Two works, Peele's The Battle of Alcazar and Southerne's Oroonoko, frame Barthelemy's study, because they constitute important milestones in the dramatic representation of blacks. Peele's Alcazar put on the mimetic stage the first black Moor of any dramatic significance, and Sotherne's Oroonoko was the first play to have an African slave as its hero. Among the other plays considered are Keker's Lust Dominion, Heywood's The Fair Maid of the West, Beaumont and Fletcher's The Knight of Malta, Marston's Wonder of Women, and Shakespeare's Titus Andronicus and Othello. In his provocative study of Othello, Barthelemy shows how
stereotypical attitudes about blacks are initially reversed and how Othello is eventually trapped into acting in accordance with the stereotype. The first work to study the depiction of blacks in the drama of this period in a complete cultural context, Black Face, Maligned Race will be informative for anyone interested in the stereotypical representation of blacks in literature.

**Myriobiblos**-Theodora Antonopoulou 2015-03-10
This volume presents a broad array of contributions on Byzantine literature and culture, in which well-known Byzantinists approach topics of ceremonial, education, historiography, hagiography, homiletics, law, philology, philosophy, prosopography, rhetoric and theology. New editions and analyses of texts and documents are included. The essays combine traditional scholarship with newer approaches, thus reflecting the current dynamics of the field.

**The Story of Black**-John Harvey 2013-07-15
As a color, black comes in no other shades: it is a single hue with no variation, one half of a dichotomy. But what it symbolizes envelops the entire spectrum of meaning—good and bad. The Story of Black travels back to the biblical and classical eras to explore the ambiguous relationship the world’s cultures have had with this sometimes accursed color, examining how black has been used as a tool and a metaphor in a plethora of startling ways. John Harvey delves into the color’s problematic association with race, observing how white Europeans exploited the negative associations people had with the color to enslave millions of black Africans. He then looks at the many figurative meanings of black—for instance, the Greek word melancholia, or black bile, which defines our dark moods, and the ancient Egyptians’ use of black as the color of death, which led to it becoming the standard hue for funereal garb and the clothing of priests, churches, and cults. Considering the innate austerity and gravity of black, Harvey reveals how it also became the color of choice for the...
Robes of merchants, lawyers, and monarchs before gaining popularity with eighteenth- and nineteenth-century dandies and with Goths and other subcultures today. Finally, he looks at how artists and designers have applied the color to their work, from the earliest cave paintings to Caravaggio, Rembrandt, and Rothko. Asking how a single color can at once embody death, evil, and glamour, The Story of Black unearths the secret behind black’s continuing power to compel and divide us.

**Visions of Whiteness in Selected Works of Asian American Literature**-Klara Szmańko
2015-03-07 Author Toni Morrison stressed the need to analyze race in American literature by white authors by shifting focus “from the racial object to the racial subject.” Representations of whiteness in certain works by Asian American authors reveal what happens when the visual dynamics of ethnography are reversed, and those persons often considered as objects—Asian Americans, other minorities—are allowed to see and judge those who so often objectify them. This study emphasizes social power structures, the aesthetics of whiteness and transformational identity politics. Works examined include Maxine Hong Kingston’s The Woman Warrior (1976) and China Men (1980), and The Fifth Book of Peace (2003); Leonard Chang’s The Fruit ‘N Food (1996); and, Joy Kogawa’s Obasan (1981).

Hyper Sexual, Hyper Masculine? - Brittany C. Slatton 2016-05-13 This book provides critical insights into the many, often overlooked, challenges and societal issues that face contemporary black men, focusing in particular on the ways in which governing societal expectations result in internal and external constraints on black male identity formation, sexuality and black ‘masculine’ expression. Presenting new interview and auto-ethnographic data, and drawing on an array of theoretical approaches methodologies, Hyper Sexual, Hyper Masculine? explores the formation of gendered and sexual identity in the lives of black men, shedding light on the manner in which these are affected by class and social structure. It examines the intersecting oppressions of race, gender and class, while acknowledging and discussing the extent to which black men’s social lives differ as a result of their varying degrees of cumulative disadvantage. A wide-ranging and empirically grounded exploration of the intersecting roles of race, masculinity, and sexuality on the lives of black men, this volume will appeal to scholars across the social sciences with interests in race and ethnicity, gender and sexuality, social stratification and intersectionality.
**Blood OF Demons**-Killian Wolf 2021-04-28
The good news? The rescue mission was successful. The bad news? Not only did Ambrose come back, so did all of the underworld. Monsters roaming my neighborhood sure brings a new meaning to the phrase “Hell on Earth.” Apparently, my little “detour” awakened my demon blood. Now my magick is on the fritz AND I’m first in line to be the queen of demons. But growing horns isn’t nearly as easy as accepting a crown. Oh yeah, and my boyfriend? He wants my head on a platter. Before I deal with him though, I’ve got to put Hell’s creatures back where they belong. Or else everyone I love will pay the price.

**One Life**-Anne-Marie Seidenschnur 2020-09-29
Did you ever ask yourself whether you have lived before? Did you ask where or when? If you already believe in reincarnation, read this fascinating story from prehistoric Egypt about a previous life of the author that begins before birth and ends after death. This was the life of a priestess and pharaoh approx. 6000 years ago when Egypt was at its prime and the priesthood enlightened. It’s an inspirational tale, and you cannot help wondering - why is our world not a better place? And if you don’t believe in reincarnation - why not read the story and get to know a nearly Utopian society and ask yourself again: Is it really impossible that this did happen? And is it not possible that it may happen again? Memories of Joan Grant’s historical novels from past lives and Elisabeth Haich’s spiritual classic: “Initiation” come back to life. Joan Grant was the first to develop her gift of “far memory” into a form of reincarnation therapy with her psychiatrist husband, a therapy which is now popular worldwide.
